Our Ref: D36071W1-EU/W2-EU/W3-EU - Your Ref: Lodge /Classroom / Garden

We have enjoyed working with Passiv Pod to secure registered design protection
across the EU for three of their innovative designs

the classroom, garden room and lodge.

Registration of the unique shape and configuration of the pod designs gives Passiv
Pod the exclusive right to the design of these buildings, each of which has its own
distinctive appearance
